We Like Sunny Days

It's a sunny day. The sun is out. The day is warm. Turtle and Frog are sitting on a big rock in a pond. Bird is singing in a tree. They all enjoy a sunny day.

Then a big cloud comes.

"It is big. It will cover the sun," says Frog.

"Then we will be cold. I do not like to be cold," says Turtle.

"Don't worry! I can ask my friend Wind to help," says Bird. Bird flies as fast as he can to his friend Wind."Wind, please come and help!" says Bird, "A big cloud covers the sun. We want you to blow it away."

"Sure! I'll blow the cloud away," says Wind.Wind blows and blows, and blows the cloud away.Turtle and Frog are warm again.
